BACKGROUND FACTS

1. On September 13, 2005, the United States Patent & Trademark Office ("U.S. PTO") issued a Notice of Allowance (the "Notice of Allowance") in the above noted application. The Notice Of Allowance provided that the fees as set out therein, including the issue fee and publication fee (hereinafter the "Applicable Fees") and the Fee Transmittal Form PTOL - 85 were to be submitted on or before December 13, 2005.
2. The Applicants attempted to submit the Fee Transmittal Form PTOL - 85 along with the Applicable Fees (the "Issue Fee Submission") on December 13, 2005, pursuant to the Notice of Allowance by way of facsimile transmission to the facsimile number "(512) 273-2885". A copy of the Issue Fee Submission is provided in Exhibit "A". The facsimile number was incorrect on the Fee Transmittal Form PTOL - 85 due to the Agent of Record for the Applicants using a previous version of this form. The correct facsimile number should have been "(571) 273-2885". The error in the Issue Fee Submission, namely the incorrect facsimile number, was not determined until December 14, 2005 by the Agents for the Applicants.
3. The Applicants also attempted to submit on December 13, 2005 an assignment document transferring rights in and to the above noted application from the inventors to Global Finishing Solutions Canada Inc. (the "Assignment Submission"). A copy of the Assignment Submission is provided as Exhibit "B".
4. Finally, the Applicants attempted to submit a new continuation application claiming priority from the above noted parent application on December 13, 2005 (the "Continuation Submission").
5. The submission of both the Assignment Submission and the Continuation Submission were indicated as received by the U.S. PTO on December 13, 2005. Copies of the receipt acknowledgement of the Assignment Submission and the Continuation Submission are provided as Exhibits "C" and "D", respectively.
